20 November 1953

MEMORANDUM FOR THE NSC PLANNING BOARD

SUBJECT: Soviet Scientific Manpower

Attached herewith is an intelligence report covering the subject discussed by the Director of Central Intelligence at the NSC meeting on 22 October 1953 (NSC Action No. 939). For your information, this special article was also printed in the 29 October 1953 issue of the Current Intelligence Review. However, I thought a separate copy would be of interest to you.
